WORLD OF MAMAGREEN

We create durable outdoor furniture for private residence, hotels, restaurants, cruise ships, and workspaces. Transforming exteriors into luxury experiences.

Residential

MAMAGREEN offers an extensive range of furniture tailored to the premium and luxury residential market.

In the USA and Mexico, our residential collections are available through a network of trusted authorized dealers. In the Asia-Pacific region, customers can explore our offerings at partner showrooms or connect with experienced designers and architects who bring our vision to life.

Contract and Hospitality

The majority of MAMAGREEN's collections are rigorously tested for contract use, making them a trusted choice for hotels, clubs, bars, restaurants, resorts, cruise ships, multi-family spaces, and workspaces worldwide.

Our comprehensive catalog provides a wealth of options to complement any project's design vision. Additionally, we specialize in developing value-engineered alternatives to meet specific project requirements without compromising quality or aesthetics.

Design

At MAMAGREEN, we believe quality time is best enjoyed outdoors. Our design philosophy revolves around enhancing the outdoor experience with thoughtfully crafted solutions.

What sets MAMAGREEN apart is our commitment to unique, innovative designs that boldly combine shapes, textures, and colors. Staying true to our vision, we create durable, timeless, and supremely comfortable furniture—pieces that elevate outdoor living to a new level.

Founder

Vincent Cantaert, MAMAGREEN's founder, was born in Belgium and studied art at the University of Ghent. In 2000, he moved to Indonesia to pursue his dream of creating durable furniture, inspired by the region's rich natural resources and deep tradition of craftsmanship.

Americas

In 2017, MAMAGREEN established its sales and distribution center in the USA, operating from its office and warehouse in Richmond, VA.

A curated selection of best-sellers and new designs is showcased at the MAMAGREEN flagship showroom in Atlanta, as well as in dealer showrooms across the USA and Mexico.

Each year, MAMAGREEN debuts its latest collections at prominent design trade exhibitions, reinforcing its commitment to innovation and excellence.

Asia Pacific and Global Distribution

MAMAGREEN operates partner showrooms in Australia and Indonesia, catering to the residential and hospitality markets across the Asia-Pacific region.

Large hospitality, commercial, marine and residential projects globally, are supported directly from the MAMAGREEN factory, ensuring seamless service and quality delivery.

Manufacturing

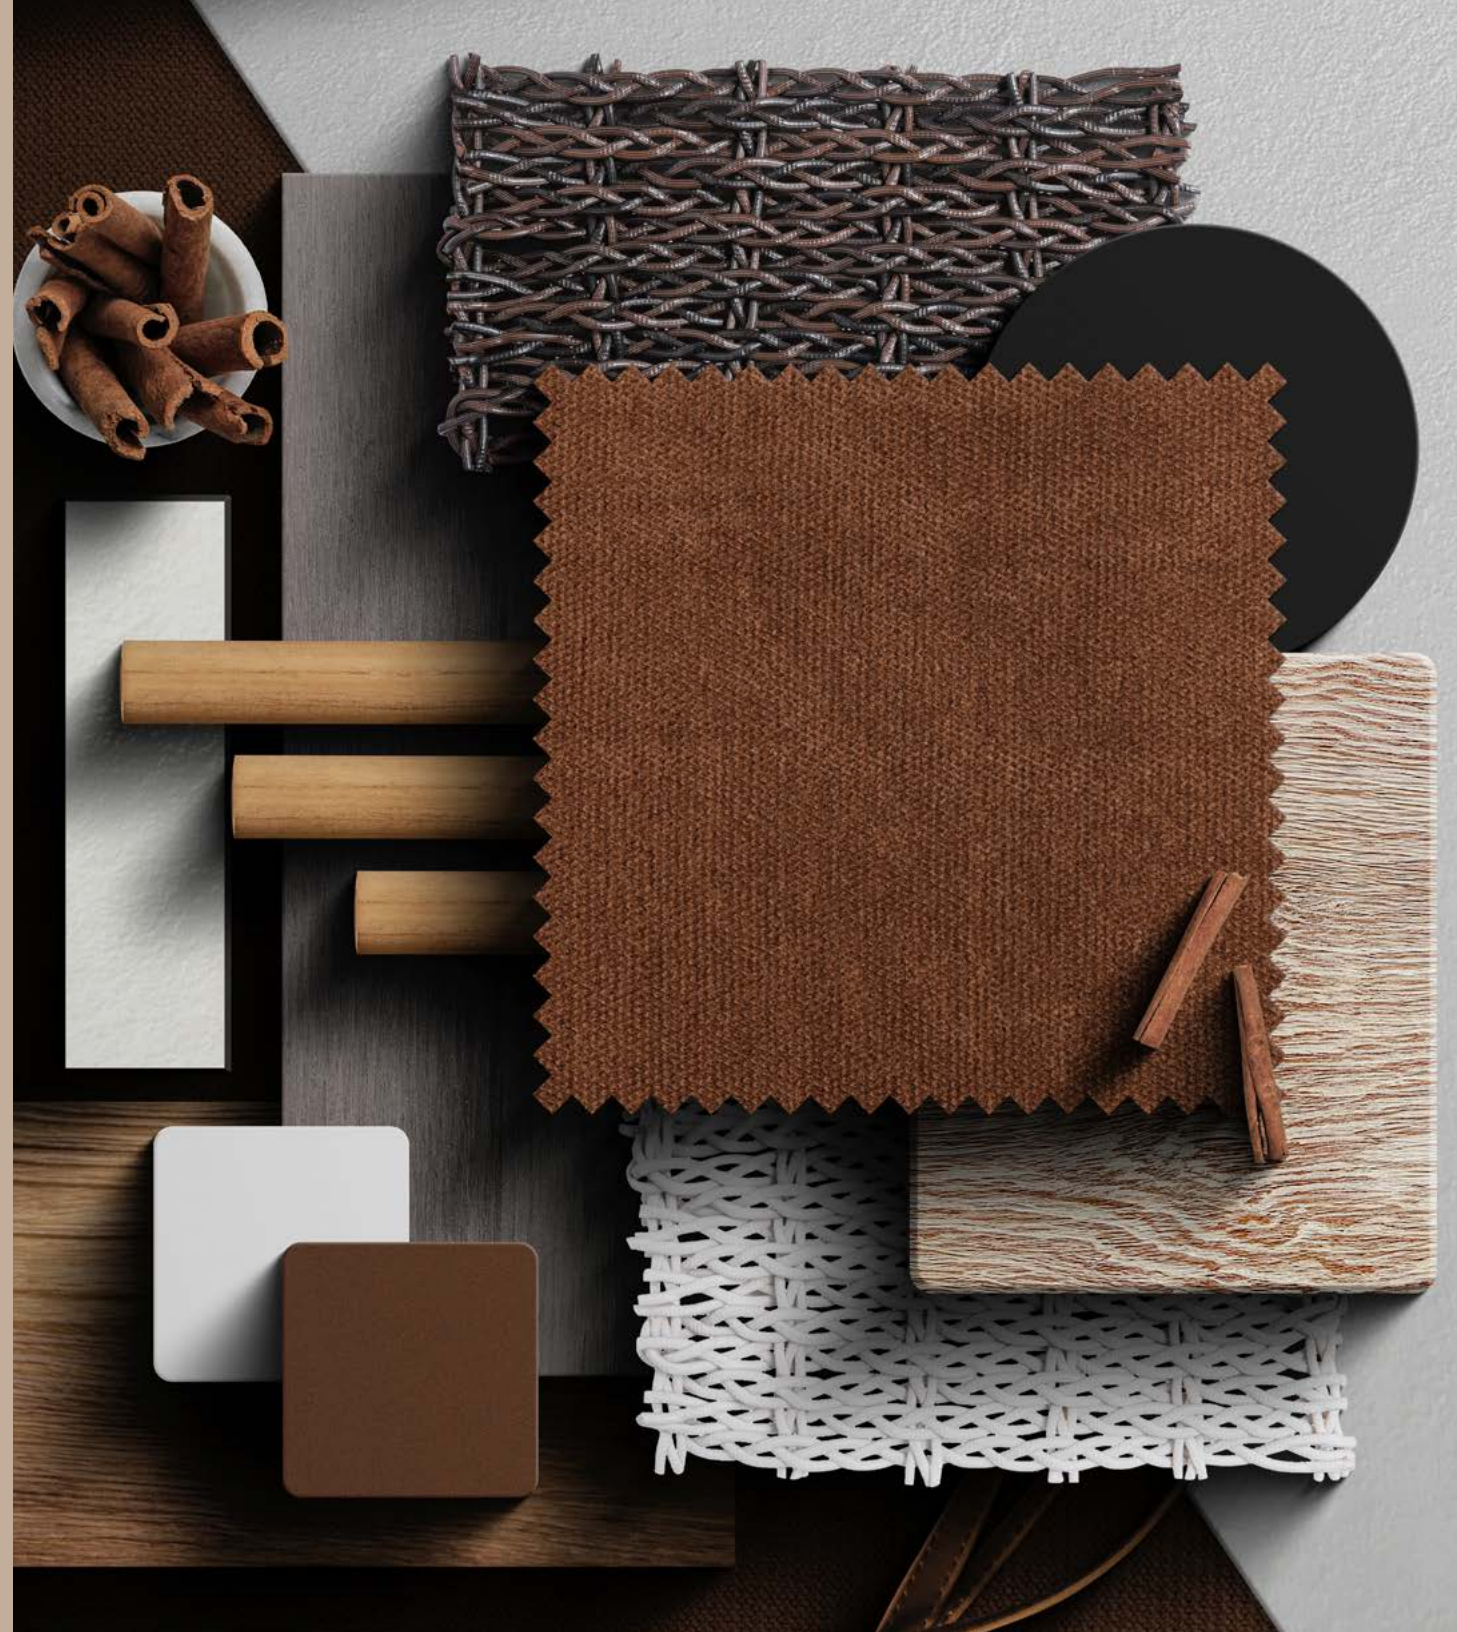

Since 2007, MAMAGREEN has been crafting durable, premium, and luxury furniture at its centralized manufacturing facility in Semarang, Indonesia. Employing around 400 dedicated team members, the facility ensures every piece reflects the brand's high standards of quality and craftsmanship.

At the heart of MAMAGREEN's operations lies a steadfast commitment to being a reliable partner for customers worldwide. Quality management is seamlessly integrated into every stage, from sourcing the finest materials to employing advanced technologies and time-honored traditional craftsmanship.

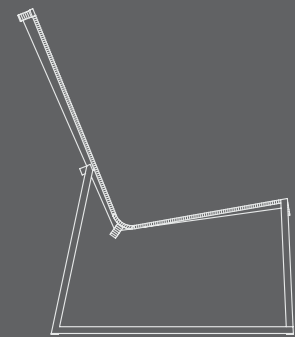

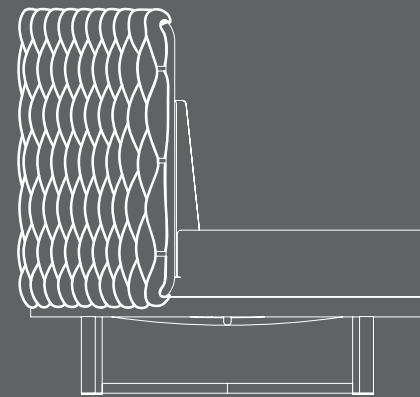

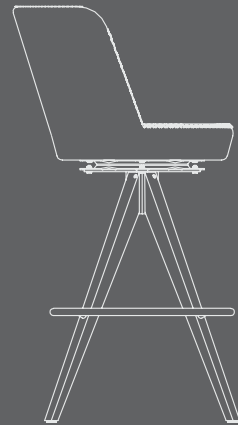

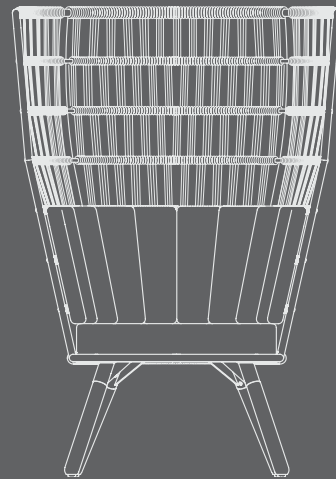

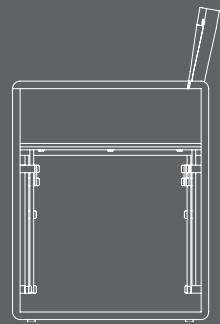

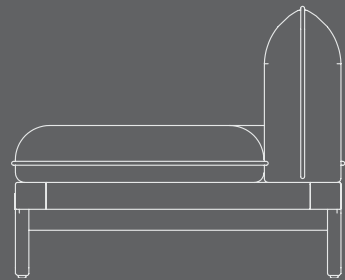

Custom

MAMAGREEN's furniture is designed with customization in mind, ensuring each piece perfectly complements its intended space. Customers can choose from a wide selection of premium materials, finishes, and functional dimensions to suit their needs.

We also evaluate requests for Customer's Own Material (COM), custom dimensions, and bespoke designs, providing tailored solutions for unique projects.
